

Tender 2025_15 LAWYER CONSULTING

ANSWERS TO QUESTIONS AND CLARIFICATIONS.

01/06/2026

After receiving a telephone question, it was detected that the Annex 4 model "**for criteria to be evaluated through the automatic application of mathematical formulas**", contained an error in terms of the weight percentages in criterion C2. PROFESSIONAL EXPERTISE. Therefore, the contracting authority of this school **confirms** that the correct values are those that appear in the document of the bidding specifications. So where it said:

C 2. PROFESIONAL EXPERTISE				
Years of accredited experience in procedural practice ⁴ in Belgium courts, preferably in the jurisdiction of Antwerp, for the head of the law firm/ partner-in-charge, or firm director (only one person, the most experienced)* in:	From	Until	Total years	Weigth of points
Laboral law			0.00	5.00%
Public/ Administrative and procedural law			0.00	3.00%
Insurances claims and financial liability matters			0.00	2.00%

It should say:

C 2. PROFESIONAL EXPERTISE				
Years of accredited experience in procedural practice ⁴ in Belgium courts, preferably in the jurisdiction of Antwerp, for the head of the law firm/ partner-in-charge, or firm director (only one person, the most experienced)* in:	From	Until	Total years	Weigth of points
Laboral law			0.00	6.00%
Public/ Administrative and procedural law			0.00	2.50%
Insurances claims and financial liability matters			0.00	1.50%

For which it is reported that a new Excel model has been published to complete the offer.
