

TENDER 2026_013 INSTALLATION OF ALARM PROTECTION COMPONENTS and SYSTEMS

CORRECTION OF ERRORS

It has been identified that an error was made in the dates indicated in the invitation to tender.

Accordingly, the following dates are hereby corrected and shall apply to the mandatory technical site visit required for participation in the tender procedure:

- Deadline for notifying the intention to attend the mandatory technical site visit: **20 October 2026.**
- Date of the mandatory technical site visit: **24 October 2026.**
- Deadline for submitting technical questions: **27 October 2026.**

The following deadlines remain unchanged and fully valid:

- Deadline for submission of tenders: **4 November 2026.**
- Deadline for submission of the passwords for encrypted tenders: **5 November 2026**

Accordingly, the text of the invitation shall be deemed to be amended and replaced by the wording set out below:

It is mandatory for the participants in the tendering process to visit the European School. Tenders from tenderers who did not participate in this visit would be rejected.

The tenders will contact the European School to organize the visit and the European School de Mol will contact the interested tenderer informing them of the date, time and place of meeting. They must contact Mr. Roberto Teruel, by email at mol-procurement@eursc.eu communicating your interest in the visit, indicating the number of car plate to entry in the parking, and the name and ID of the attendees, until **on 20 of October November 2026 before 12:00 a.m**

Visits will be arranged for 24 October November 2026. After you have requested a date, the European School will reply with an email indicating the assigned day and time.

A maximum of 2 people per bidder is established. Access will not be allowed to any person who has not previously communicated it. During the visit, plans and photo-reports will be offered. And an informative session will also be given to explain some technical concepts, instructions to complete the documentation, etc.

Questions may be asked, in writing by email at (MOL-PROCUREMENT@eursc.eu) **until 27 October November 2026 at 15:00h** at the latest and will be answered publicly and as soon as possible via the School's procurement Service website: <https://www.esmol.be/en/procurements>

Deadline to submit the tenders: **4/11/2026 at 15:00h** (Central European Time)

Deadline to submit the encrypted password: **5/10/2026 at 15:00h** (Central European Time).
