

Due to the request of the tenderer of the procurement file:

2022_009 " SUPPLY AND INSTALLATION OF VIDEO SURVEILLANCE CAMERAS".

The contracting authority has decided to extend the deadline for the submission of tenders. Paragraph 1 of the invitation to tender would therefore read as follows:

"... 1. Submission of tenders

*If you are interested in this contract, you are invited to send us an offer in **English, French or Dutch** which are the working languages of the contracting authority, according to the procedures specified in the annexed contract documents.*

*You must send the offer exclusively by email to **MOL-PROCUREMENT@eursc.eu**. The offer must arrive no later **than 04/12/2022 at 23:59h (Central European Time)**. In order to preserve the integrity of the tender between tenderers, it is requested that the offer documentation will be **in encrypted PDF (password protected) file**.*

And separately, the password to the encrypted file will be sent by post in a closed envelope to the address above:

*Envelopes by post must clearly contain the tender reference **"TENDER 2022_009_ESMOL"** in right hand corner.*

Example:

CONFIDENTIAL TENDER 2022_009

European School Mol

Attention: Roberto Teruel (Procurement officer)

Admin. Building

Europawijk 100 - 2400 MOL- België /Belgique...."

Consequently, **questions can still be sent to the same e-mail address until 27/11/2022.**

This will be stated in the publication of the European School's contracting profile (<https://www.esmol.be/en/procurements>) and will also be notified by e-mail to the companies that have expressed interest in participating.
