Pay with Stripe – Bancontact

Choose your payment method and finalise the payment

By clicking on My Account under the user name you can check the recharges done thus far.

Under the tag "children" it is possible to verify the residual credit of the card, the usage of the card at the canteen and the past recharges of the card

It is also possible to add a child to the same account with a different card number by clicking Add Child and following the instructions on screen

Under Canteen Menus it is possible to see the menu of the month
