# 5. Data Analysis working group

## School goals related to Bacc and exam results

- Average Bacc-grade: above 7,8
  - = Average Bacc system wide
- All subject's success rate: above 80 %
- General success rate: above 95 %

More data goals needed?

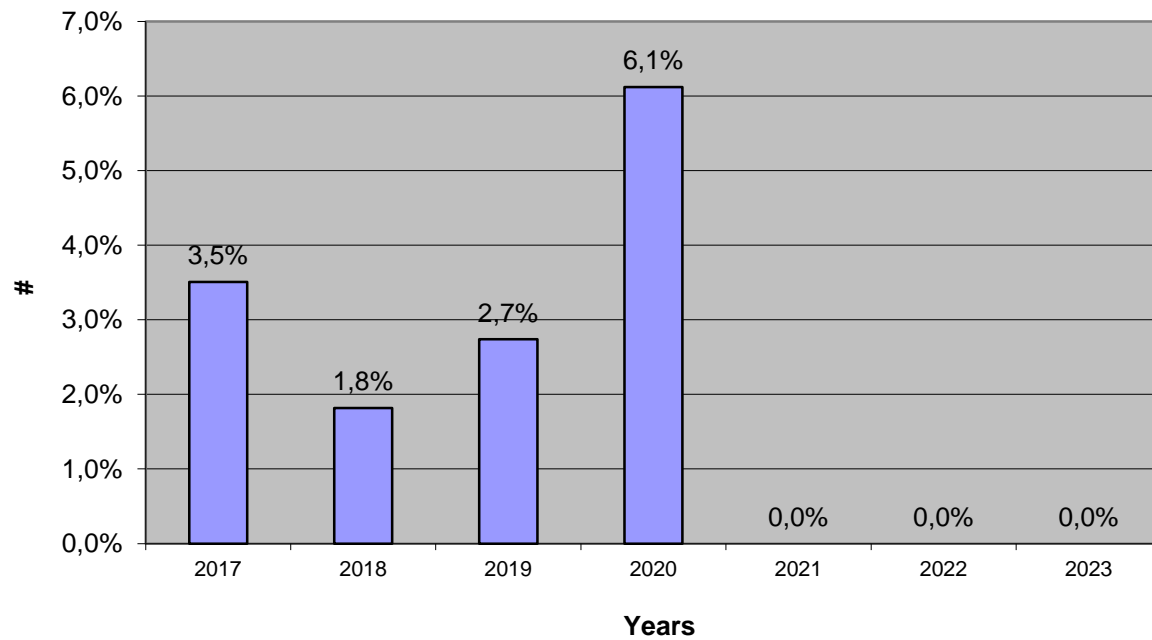

# 5. Data Analysis working group

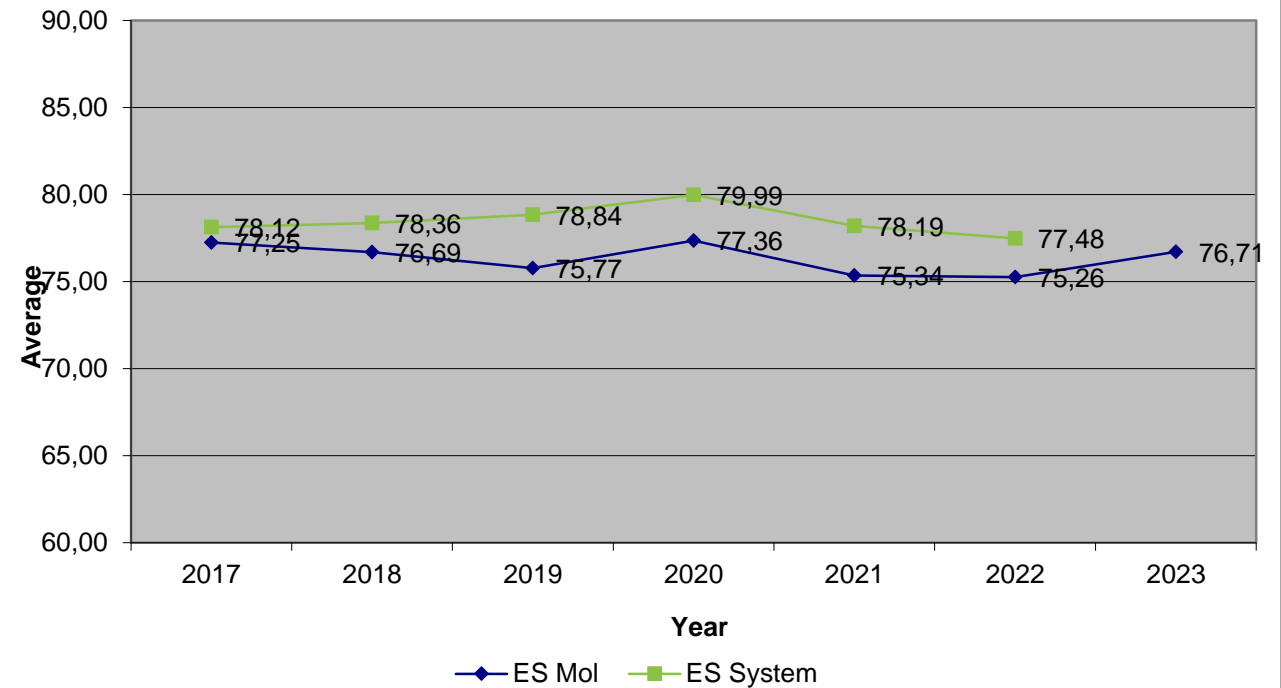

# 5. Data Analysis working group

## Baccalaureate results

#failed pupils

Average / year

## 6. CBO testing & Challenge program

### CBO testing for S2 pupils

- Determine students' strengths and challenges
- Regarding:
  - academic performance
  - learning strategies
  - social well-being
- What are the needs of a pupil?
  - info for parents
  - info for the school
- Take necessary actions

# 6. CBO testing & Challenge program

## Challenge program for highly gifted pupils

### 1. **Advanced Lab for S1&S2**

During lunch break

Small group activities

Find solutions for ....

### 2. **Challenge project for S3-S7**

- Topic of their choice not covered by any lesson in school
- Skip 1 or 2 lessons to work on the topic (agreed in advance which lessons)
- Take responsibility to catch up the class material they missed independently
- Meet every 2 months to discuss the process with fellow pupils and coach
- Present their work to each other, teachers and their parents at the end of the school year
- Main goal of the project is to train learning skills and competences

Thank you for joining!
