

Regulations 19-11-21

Masks

Mask is obliged in Secondary school again for staff and students.

- Can be removed when students sit down and there is sufficient ventilation and distance between each other. This also means that students sitting together need to wear the mask.
- Outside masks do not need to be worn when there is NO intense contact.
- Parents and thirds in school wear a mask at all times.
- Obligation to wear the mask on the bus for everyone that is 6 years or older.

Mask is obliged in Primary school for staff and children.

- Can only be removed when students sit down with enough distance and ventilation. So when students sit closer together a mask is obliged.

Quarantine:

When there are 2 confirmed cases in 1 year group, the whole year group is quarantined. High risk contacts need to be tested with a PCR test and can only return with a negative test result. Low risk contacts can return to school after a negative self-test on day 4. (Day 0 = Day the group has been put in quarantine)

Ventilation:

CO2 monitoring will have to be done in every classroom.

Canteen:

Organise everyone according to year groups. Year group indications are made on the tables in the canteen. Primary and Secondary students do not mix in the canteen.

Gel will be available for vending machines.

Extra supervision is planned in the canteen.

Other activities:

- Meetings, parent meetings: digital
- Extra muros: all activities are cancelled until the end of December 2021.
- Events are allowed only with members of the school community, no parents allowed.
